with Contemporary Commentary

The Dangerous Mission of Jesus!

**Behold, I send
y'all out as
lambs in the
midst of wolves;
therefore be
wise as serpents
and peaceful as
doves.**

**Jesus transfers the authority
to preach the gospel of the Kingdom,
to heal all and to cast out demons
to His followers.**

Matthew Chapter 10

1] 1] But He called His twelve followers (disciples)¹ and gave them authority ² over unclean spirits, to cast them out, and to heal every disease and every sickness.

2] And the names of the twelve apostles (sent ones) were these:

first Simon, who is called Kepha (Stone), and Andrew his brother, and James ³ the son of Zebedee, and John ⁴ his brother, 3] and Philip and Bartholomew and Thomas and Matthew the tax collector, and James the son of Alphaeus, and Lebbaeus who was also called Thaddaeus, 4] and Simon the Canaanite and Judas Iscariot, who betrayed Him.

5] **These twelve⁵ Jesus sent out⁶ and commanded them,** saying:

“Do not go on the way of the Gentiles, and do not enter the cities of the Samaritans. 6] But go rather to the lost sheep of the house of Israel.

7] And as y'all go, preach and say:

'The Kingdom of the Heavens has come near.'

8] Heal the sick, cleanse the lepers, cast out the demons. Freely y'all have received; freely give. ⁷

9] Do not take gold or silver in y'all's money belts.

10] Nor a travel bag for provisions, nor two coats, nor sandals, nor a staff. For the worker is worthy of his provision. ⁸ (Luke 10:7)

11] And into whatever city or village y'all enter, inquire who in it is worthy, and stay there until y'all leave.

12] And when y'all enter a house, call the peace of the house upon it. (invoke the peace of the house).

13] And if the house is worthy, y'all's peace will come upon it; but if it is not worthy, y'all's peace will return to y'all.

14] And **whoever does not receive⁹ y'all and does not listen to y'all's words**, when y'all leave that house or that village: Shake off the dust from y'all's feet. ¹⁰

15] Truly I say to y'all: It will be more tolerable for Sodom and Gomorrah on the day of judgment than for that city."

16] **Behold, I send y'all out as lambs in the midst of wolves;**¹¹ **therefore be wise as serpents**¹² **and peaceful as doves.**

17] Beware of men, for they will hand y'all over to the courts and flog y'all in their (council) assemblies.¹³

18] And y'all will be brought before governors and kings for My sake, as a testimony to them and to the nations (Gentiles).¹⁴

19] And when they hand y'all over, do not be anxious about how or what y'all should speak, for it will be given to y'all in that hour what y'all should speak.¹⁵

20] For it is not y'all who then speak, **but the Spirit of y'all's Father who speaks in y'all!**¹⁶

21] **And a brother will hand over his brother to death, and a father his son, and children will rise up against their parents and cause them to be put to death.**¹⁷

22] **And y'all will be hated by everyone because of My name.** But the one who endures to the end, he will **live.** (Matt. 24:9-10).

23] **When they persecute y'all in one city, flee** to another. Truly I say to y'all, y'all will not finish **converting** (subduing)¹⁸ all the cities of the house of Israel **before the Son of Man comes.** (cf. Matt. 24:14)

24] A disciple is not greater than his Master, nor a servant greater than his Lord.

25] It is enough for the disciple that he be like his Master, and for the servant like his Lord. If they have called the Master of the house Beelzebub (Lord of the Flies, a designation for satan), how much more the children of his household!

26] **Therefore do not fear them,** for there is nothing hidden that will not be revealed, and nothing secret that will not become known.

27] What I tell y'all in the dark, say it in the light. And what y'all hear with y'all's ears, proclaim from the housetops.

28] **And do not fear those** who can kill the body but cannot kill the soul.

Rather **fear Him** ¹⁹ who is able to destroy both soul and body in hell (Gehenna). ²⁰

29] Are not two sparrows sold for a copper coin?

And not one of them falls to the ground apart from y'all's Father.

30] But as for y'all, even the hairs of y'all's head are all numbered.

31] **Therefore do not fear;** y'all are of more value than many sparrows.

32] **Therefore everyone who confesses Me before men, him I will also confess before My Father who is in heaven.**

33] But whoever denies Me before men, him I will also deny before My Father who is in heaven.

34] Do not think that I have come to bring peace on the earth. I have not come to bring peace, but a sword. ²¹

35] For I have come to set a man against his father, a daughter against her mother, and a daughter-in-law against her mother-in-law. 36] And a person's enemies will be the children of his own household.

²²

37] Whoever loves father or mother more than Me is not worthy of Me, and whoever loves son or daughter more than Me is not worthy of Me.

38] And whoever does not take up his cross and

follow Me is not worthy of Me.

39] Whoever preserves his soul (his soul-life) will lose it, but whoever loses his soul for My sake will preserve it.

40] Whoever receives y'all receives Me, and whoever receives Me receives Him who sent Me. (Matt. 25:40-46) ²³

41] Whoever receives a prophet in the name of a prophet will receive a prophet's **reward**,²⁴ and whoever receives a righteous person in the name of a righteous person will receive a righteous person's **reward**.

42] And whoever gives one of these little ones even a cup of cold water to drink, simply because he is a follower (disciple) of Jesus, truly I say to y'all, he will by no means lose **his reward**."²⁵

1] Vers 1: *But He called His twelve **followers** **(disciples)***

Aram. Talmid: disciple, student, learner, one who is trained. It is not only about teaching, but – as we see here – about real spiritual warfare in authority.

2] Vers 1: *But He called His twelve followers (disciples) and gave them **authority** over unclean spirits, to cast them out, and to heal every disease and every sickness.*

Authority, power or force.

There is an important difference between power and authority. The Aramaic word for authority contains the familiar root for ruler in the Near East: sultan, **sultanate** (domain of rule). Greek: **exousia**. When we know that we act under authority and in authority, we also know that the powers of darkness – the unclean spirits, demons, reptilians, hybrids, spirits and principalities under heaven, fallen angels, and satan – must bow to this authority. And if necessary, we have the entire arsenal of the ruling King Jesus, His angels, and the power of the Holy Spirit (God Himself) behind

us. Diseases and infirmities must also obey this authority, and even the dead (those who have just died) we can and should raise.

Only people who do not (yet) acknowledge the rule of Jesus can rebel against it, in their rebellious free will. Here the **power of the Holy Spirit** is also needed (Acts 1:8), which makes us powerful witnesses.

A real police **uniform** or a genuine **badge** are **signs of authority**; the **weapon is the “power,”** the force they possess.

True spiritual authority comes

- through **being born from God** (John 1,12)
- through being **called and sent by God**,
- through **intensive sanctification** (separation from the world), and
- through **obedience and humbling oneself** under the mighty hand and leading of God.

The power comes from

- our spiritual weapons, (Eph. 6),
- the truth,
- the Word of God,

- prayer and fasting, and
- above all from the Holy Spirit.

When the Spirit is released unhindered through self-denial and obedience, we have both authority and power. **When we understand authority and are obedient, it becomes easy to believe** and with this faith to move mountains, cast out demons, heal the sick, calm storms, and do whatever else is needed. The Roman centurion in chapter 8:8-9 astonished Jesus because **he understood authority**. **satan fears that you will recognize who you are in Christ: a son of God, a true child of God.** John 1:12 uses the same word (sultana, correctly translated into Greek as exousia): *To those who received Jesus, who believe in His name, He gave the authority to become children of God.*

3] Verse 2: *and **James** the son of Zebedee, and John his brother,..*

This James was murdered in Acts 12 by Herod Agrippa, who wanted to please the unbelieving Jews. Then the Assembly prayed to protect Peter from the same fate. A few days later Herod was

struck by an angel and died shortly afterward in great pain, eaten by worms. This is the power of prayer. James was one of the first martyrs. **Prayer can prevent much. We are in a real battle and have lost many men and women of God prematurely because too little real prayer is taking place – that is, the authority that Jesus gave to the Ekklesia is not being sufficiently used.**

4] Verse 2: *and James the son of Zebedee, and **John his brother,..***

This is the John of the Gospel of John, the three letters of John, and the Revelation. According to tradition he could not be killed and even survived being thrown into a cauldron of boiling oil, so he was banished to Patmos. John received the mysterious statement of Jesus' will: "If I want him to remain until I come, what is that to you?" (John 21:21-23). Presumably he then died of old age after writing the Revelation, in which he essentially saw and described the coming of Jesus. This also shows that not everything Jesus wants

automatically happens. Jesus would certainly have liked John to live until His coming, but the world and the Assembly were at that time still far from ready for the coming of Jesus.

How long will we delay the return of Jesus through inactivity?

5] Verse 5: *These **twelve** Jesus sent out and commanded them, saying:*

The twelve foundation stones of the New Jerusalem bear the names of the twelve apostles.

(Revelation 21:14; 1 Corinthians 3:10-11; Ephesians 2:20; 3:1-6).

The special position of the twelve apostles (including Paul) is not to rule over others as clergy, but they were the first to receive and proclaim the revelation of the gospel of the Kingdom from the Lord and King Jesus, and thus laid the foundation. Their knowledge of Jesus the Messiah and their discipleship as firstfruits made them foundation stones.

6] Verses 5-8: 5] *These twelve Jesus sent out and commanded them, saying: “Do not go on the way of the Gentiles, and do not enter the cities of the Samaritans.*

6] But go rather to the lost sheep of the house of Israel.

7] And as y’all go, preach and say:

‘The Kingdom of the Heavens has come near.’

8] Heal the sick, cleanse the lepers, cast out the demons. Freely y’all have received; freely give.

The prayer for workers in chapter 9:38 is immediately answered with themselves. Jesus gave these twelve followers – and later the seventy disciples – **authority to work in His power**, before He destroyed the powers of darkness on the cross and through the resurrection from the dead, and before they received the Holy Spirit.

At the end of the Gospels of Matthew and Mark, and in Acts 1 & 2, we then have the transfer of the mission mandate, the authority, and the power of the Holy Spirit to the whole Assembly – also to you, if you are a believer.

7] Verse 8: *Heal the sick, cleanse the lepers, cast out the demons. Freely y’all have received; freely give.*

Healing the sick, casting out demons, and cleansing lepers **is the proof of the effectiveness and presence of the Kingdom of the Heavens.**

8] Verses 8-10: 8] *Heal the sick, cleanse the lepers, cast out the demons. Freely y'all have received; freely give.* 9] *Do not take gold or silver in y'all's money belts.* 10] *Nor a travel bag for provisions, nor two coats, nor sandals, nor a staff. For the worker is worthy of his provision. (Luke 10:7)*

To understand the meaning of the instructions Jesus gave the sent ones in this section, one must become familiar with the Near Eastern culture of that time. Lamsa/Errico illuminate this in their commentaries on the NT.

Travel was dangerous. Bandits lurked along the road (see the story of the Good Samaritan, Luke 10:30ff). Anyone who had more than one garment wore it on himself. As soon as someone had a money belt and several garments, or more than one pair of simple wool-felt sandals, he became a desirable target for bandits and often had to pay for the robbery with his life. Bandits, however, let the

(apparently) poor go, because there was nothing to take. From a distance one could see that a person had neither a bag nor weapons nor a money belt at his waist. This precaution was part of not provoking trouble.

It was self-evident, however, that the disciples, as guests in the house that received them, would be given food and drink. Although they performed healing and casting out demons free of charge, they were of course provided for.

By saying “For the worker is worthy of his provision,” **Jesus shows that He expects the people who receive help and helpful teaching through His sent ones – whom He calls workers – to support these workers materially and financially.** Everyone who helps bring in the harvest of the unconverted and turn them into disciples of the Kingdom is a worker. When you receive help through sound teaching, remember not to be merely a free-loading parasite, but support those who feed you with sound teaching for genuine discipleship.

9] Verse 14: *And whoever does **not receive** y'all and does not listen to y'all's words, when y'all leave that house or that village: Shake off the dust from y'all's feet.*

“Receive you (or not)”: the same word as in John 1:12 – to receive Jesus. Matthew 10:14 makes clear that receiving Jesus includes receiving His sent ones and especially receiving and obeying (hearing) His word.

10] Verse 14: *And whoever does not receive y'all and does not listen to y'all's words, when y'all leave that house or that village: **Shake off the dust from y'all's feet.***

Shaking off any responsibility for possible consequences for those who did not want to hear the gospel of the Kingdom. Also having no share in the way of life of those who refuse to receive disciples as guests.

11] Verse 16: *Behold, I send y'all out **as lambs in the midst of wolves;** therefore be wise as serpents and peaceful as doves.*

Although Jesus gave the disciples authority to cast out demons and heal the sick, and thereby to proclaim and demonstrate the presence of the Kingdom of God, **they still had to be on guard against evil people.**

The rebellion of mankind brings persecution and danger for the sent ones of Jesus. The whole world has just witnessed this impressively on September 10, 2025, through the murder of one of the sent ones of Jesus: **Charlie Kirk. He drew the hatred of people who serve the darkness upon himself by preaching the principles of the Kingdom of the Heavens.**

Worldwide, many Christians are constantly being brutally persecuted and many murdered—especially in Muslim countries. But increasingly also in Western countries of Europe that have long fallen away from the true Christian faith, with satanic, anti-Christian governments and a deliberately steered Islamic “immigration” invasion. In England, even standing still and praying on the street is forbidden. The Jesuits, with their far-reaching network, are also behind many murders.

The few remaining faithful servants of Jesus in Europe must preach the gospel to these people with authority.

The old European peoples are inevitably dying out to a large extent because of a catastrophically low birth rate, millions of abortion murders, and millions mutilated and killed by vaccinations. At the same time, millions of people (often young men) are being imported from Islamic countries—which is an anti-Christian agenda.

This process has long been irreversible. The population group that maintains a birth rate above 2.1 (especially Muslims with a far higher birth rate) will inevitably have replaced the Europeans within a few decades. Nothing can stop this any longer.

The hope is that among these newly infiltrated people a revival and turning to Jesus will take place.

In Christ, in the new creation, there are no races, classes, or nations.

This principle, however, cannot be applied by governments and agendas that are not in Christ but against Him, that do not implement the principles of

the Kingdom of Jesus and reject the rule of Jesus. The task of governments is to punish evil and reward the good. Today many governments, authorities, and governmental organizations have themselves become the embodiment of evil, and the judiciary is corrupt and serves money and power instead of justice.

Globally, Islam is crumbling in many formerly core Islamic countries such as Saudi Arabia and Iran, among others, because **it is becoming ever clearer that the entire origin story of the Quran, of Mecca, and the historicity of Muhammad is highly questionable—or rather, clearly proves that the whole religion is a fake.**

And **the immorality, violence, and oppression of women by “Muhammad” and the Quran, as well as the massacres of non-Muslims in the name of Allah, no longer give any truth-seeking person an excuse to adhere to this religion.**

It is all the more absurd that this violent ideology is gaining a foothold precisely in Europe and the USA, exploiting politically misapplied tolerance.

12] Verses 16 & 17: *Behold, I send y'all out as lambs in the midst of wolves; therefore be wise as serpents* and peaceful as doves.

17] **Beware of men,** ...

Snakes are on guard and avoid unnecessary conflicts and risks. They raise their heads to survey the situation from a distance, hear footsteps, and smell. They are ready for self-defense or they withdraw. Under normal circumstances a sent one of Jesus is not armed and is recognized as peaceful, which avoids violent provocations. There are exceptions, however. In South Africa Christian conferences are guarded by security personnel armed with machine guns. We must correctly assess our situation and not be naïve.

Where Charlie Kirk – my faithful witness – was killed:

While I am writing this (September 2025, revised September 2026), **the Christian Charlie Kirk was murdered** just a week ago.

Revelation 2:13 – “I know where you dwell, where

*the throne of satan is, and you hold fast to my name and have not denied the faith in me. **And in the days when you fought, my faithful witness was killed among all my faithful witnesses among you.***" (Aramaic NT Roots Translation).

It is important to Jesus to specifically mention the martyr of Pergamon; **a murder took place there before everyone's eyes.**

I therefore find it appropriate to write the following so that the murderous deeds of the servants of satan are recorded for posterity, even though the media and authorities try to sweep everything under the carpet and shift it onto a scapegoat.

I hereby wish to record historically that the official version is of course not true.

It was not a lone perpetrator and not with a .30-06 caliber rifle from a roof from the front. That theory is physically impossible. One cannot trust today's governments and government institutions; they are completely infiltrated by satan – which is also a consequence of the West's falling away from the faith and the Bible, and a consequence of the

fact that the Ekklesia does not pray as it should. In particular one cannot trust intelligence agencies such as the FBI, CIA, etc. These are murderous, diabolical organizations.

Hundreds of videos and text documents that are/were findable on X, yt & discord give an entirely different picture beyond any doubt.

A plot involving several parties – especially his security personnel – who cold-bloodedly murdered Charlie Kirk.

Tactic: Multiple simultaneous attempts and multiple patsies and distractions – to confuse later investigations. Destroy & ignore evidence.

Two shots impacted Charlie Kirk at the same time. The first was in his head, exiting his neck. The second was in his chest, exiting his back. **These are visible facts, not theories.**

According to x.com/WeAreNotGTM it was a 322 Operation Framework, as the evidence shows. 3 patsies, 2 or 3 shooters (drone or camera, Cutler), 2 distractions.

Charlie was hit in the right rear of the head, and on

the left one sees the heavily bleeding exit wound. He was presumably dead instantly, since the carotid artery was hit.

Facts, not theories:

2 simultaneous shots within a fraction of a second:
A shot to the head from the rear right, high up; exit wound clearly visible at the lower left of the neck following impact.

Shot 2: Impact clearly seen on the breast. Projectile on the back and hole in the shirt. Infrared laser points.

Drones captured flying (most likely Elbit-Duncan Bird of Prey drones).

Pentagon spy plane Hades.

Destruction of evidence.

The clear refusal to prioritize the aforementioned facts in the investigation is an indisputable FACT that the FBI and the prosecution are complicit.

Around these facts there are different theories and many additional possibilities. But they do not change the facts. I.e., was the shot from top

behind from a drone or from the camera or from a sniper at the roof corner? Or were there even 2 shots from behind? Did something explode in addition to the shots? Did the mic explode? Was further damage done in the car?

Several indications point **to a simultaneous high-voltage electric shock.**

What we can clearly see:

Two security men gave sniper signals 1–2 seconds before the shot. These were presumably the signals for the simultaneous firing of the murder weapons from close range, and possibly of a diversionary weapon at a distance in order to have the .30-06 caliber sound as the firearm. One person shouted immediately before the shot: “Get down.”

These murderers, in addition to the “scapegoats (patsies),” apparently also staged further fake shooters in order to confuse the investigations, one with a phone pistol on the right. **Rick Cutler** very probably shot from a palm pistol with a clearly visible hand movement on his sleeve (shot visible in one vid) and probably triggered a

detonator or remote shot too.

3–4 security men, two of whom stood in front of the tent at the left and right corners, immediately after the attack **picked up objects from the ground near Kirk and then disappeared. (= crime).**

There is an urgent suspicion, with overwhelming evidence, that Charlie Kirk's "security team" were an active part of the plot, who then immediately pocketed the evidence, disappeared with it, **removed cameras**, and made any investigation of the site impossible. On the films one sees **a very carefully arranged clean-up team in action.**

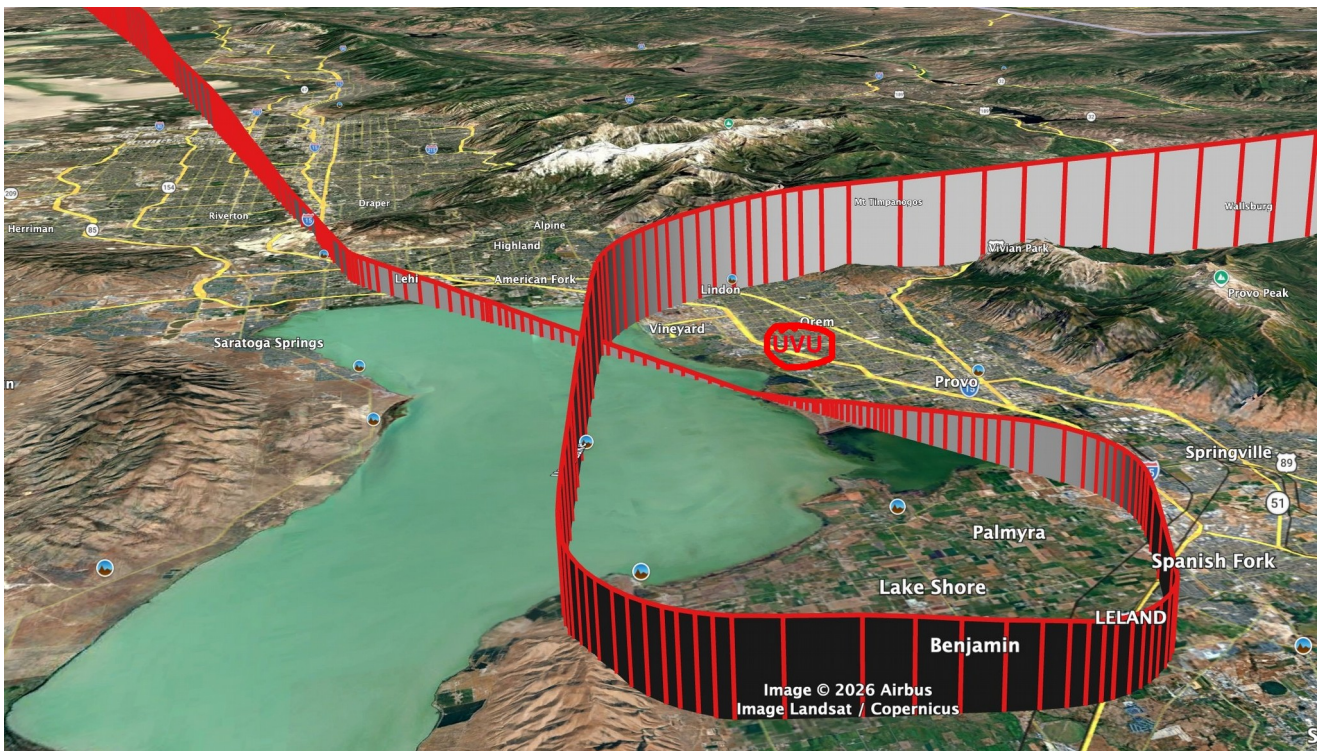

At the site of the attack the earth was removed and **concreted over** within 3–5 days in order to make investigations for explosive traces and other traces impossible. This is a criminal act.

During the event **military drones were flying.** In addition **a spy plane "Hades"** flew past at **low altitude before and shortly after the attack** and on the following day **around Washington Sheriff County, where it produced the fake Discord "confession."**

And hundreds of other inconsistencies.

The fact that the public prosecutor's office does NOT take any of the things mentioned into account makes it complicit in this attack and puts the FBI in direct connection with the masterminds of this assassination.

The presence of the Pentagon spy plane Hades makes the Pentagon the prime suspect to have green-lighted this. Motives are stated by John Cullen and others.

Therefore we are to be wise.

We must never trust authorities or politicians. Never. Political activity by Christians in this world

controlled by the devil often ends fatally, unfortunately, as soon as one gains too much influence.

When governments and authorities are involved in such assassinations, tolerate them and do not punish them, this also shows that the Ekklesia prays too little and that Christians are too lukewarm, especially in a formerly “Christian” country.

We must forbid the influence of the powers of darkness in the air on government, authorities, politicians and intelligence services through prayer decrees.

Intelligence agencies such as Mossad/CIA and secret societies such as the Jesuits and Freemasons carry out such attacks, not lone perpetrators.

Kirk had ultimately expressed himself critically of Israel and the day before his murder declared that he would not let himself be muzzled by the “pro-Israel” lobby and that he had no choice but to leave that camp. By doing so he renounced

millions in sponsorship money. And in the eyes of the Jesuits Charlie was regarded as a heretic.

Friends of Charlie should have noticed what a strange “security team” this was. But presumably Charlie no longer had any real friends around him.

Charlie Kirk is a martyr and one of the sent ones of King Jesus, in order to defend the rules of the Kingdom of the Heavens.

The memorial service for Charlie Kirk in Arizona on September 21, 2025, triggered something like a revival. One year later millions held a memorial march in London. At the memorial the gospel was preached very clearly by many speakers, in the presence of important government people.

Elon Musk was visibly moved and quoted the Lord's Prayer: Forgive us our trespasses, as we also forgive our debtors.

Trump also confessed Jesus Christ. But one cannot trust Trump at all. He uses Christians in

order to push through his questionable agendas more easily. Trump covers up the child abusers, the vaccine-murder agenda, and is building an AI control system. It is unfortunately even to be assumed that the murder of Kirk was sold to him as necessary for **national security** and for the “protection” of the “Epstein” celebrity criminals, and that he allowed it, particularly also because he is under strong suspicion of not being innocent regarding offenses against underage girls on Epstein Island.

Despite it: Many, including myself, testify that this memorial was a very impressive spiritual event. Let us pray **that the murder of our brother Charlie really becomes a global turning point or trigger to bring in the end-time harvest.** Many have already converted to Jesus since the murder of Charlie.

A separation is also taking place. People who do not recognize and sense this working of the Holy Spirit are in danger of being gathered by evil and darkness. **The exalted ethics and morality and a kind of genuine unity of the Body of Christ, the**

Ekklesia, were demonstrated at this memorial. One can also read many positive articles about this event from Christians of various denominations.

By their fruits you will know them:

It must also be said that TPUSA has meanwhile completely drifted away from Charlie's vision, which casts a very bad light on the true motives of Erika Kirk and the rest of the TPUSA team. Erika had connections to CIA people. It looks as if she was a decoy for Charlie. **The fruits – how TPUSA has within one year drifted into the opposite of what Charlie said and did – are rotten.**

Something stands out:

Half a year after the murder of Charlie Kirk, suddenly in March 2026 an attack on Iran becomes possible. Kirk's statements on the occasion of the 2025 blitzkrieg against Iran – summary:

- In June 2025 (shortly before/after the first major strikes) he described a regime change in Iran as “pathologically insane.”

- He warned that a major war with Iran would split the America-First movement.
- In a poll he asked whether the USA should interfere in Israel's war against Iran
→ 89.7 % said No.

- He **criticized Neocon** hawks such as Lindsey Graham and asked rhetorically: "So we are just going to take out the Ayatollah? Oh really! What next? What happens after regime change?"

He was therefore against large-scale, open US warfare and especially against the attempt to completely overthrow the Iranian regime.

The limited Israeli strikes on nuclear facilities, on the other hand, he rather accepted or later even commented on positively.

If Kirk had still been alive, he could have exercised this influence on a large part of the Christians. Trump (mis)uses the Christians*, however, in order to be able to push through his agendas.

(*especially Christians blinded by the Neocon – worldly Israel – agenda).

The obvious global loss of face of the USA because of the mess and failure of this second

Iran war in 2026 might have been spared Trump if Charlie had not been murdered.

I hope I will not have to add in a few months or years: unfortunately a world war developed out of it.

The actions of the Neocons and Israel are a blinded attempt to force through biblical prophecies and promises with human power without God. They will all fail.

God's way is – this also applies to Israelites:

Repent and turn to the Messiah Yeshua (Jesus Christ), for His kingdom rule began 2000 years ago, and soon He is coming to take up the rule visibly and to avenge the blood of His martyrs.

I have here, by way of exception, gone deeply and in detail into the current events at the time of the writing of this chapter and afterward, and immediately it becomes apparent how short-lived, dark, and dirty day-to-day politics and news are. But later generations should receive details about the murder of a martyr. We would also like to know

more details about the murder of the Apostle Paul or Peter by the Romans, if they had been handed down.

I do not believe that the masterminds, commissioners, and assassins will ever be held accountable here in these corrupt countries. **But before the righteous Heavenly Judge they certainly will.**

Prayer for justice, protection and conversion:

Our Father in heaven, as the Ekklesia, as the Bride of the Messiah Yeshua, Your beloved Son, washed in the blood of Jesus, we now come before You in the name of Jesus. We exalt You, You alone are just and true, You are merciful toward the repentant. We hand over to You this injustice; the blood of Charlie and of all the martyrs cries out loudly. Vengeance is Yours.

We ask You for justice, here and now, in the case of the murder of Charlie Kirk. The authorities, instead of carrying out Your commission to punish the evildoers, have themselves become the evildoers. Therefore we demand that the main

masterminds of the murder of our beloved brother Charlie Kirk be punished directly by heavenly decree, just as in Acts 12. So that these servants of Satan are taught a lesson. Not like this, not as long as we are watching here.

We also ask for protection for all who help to bring this crime to light, because the authorities have become accomplices through covering it up. We cry it from the rooftops, as You have said; protect us from reprisals by these servants of wickedness. Father in heaven, we also ask You: draw many people worldwide to Your Son Yeshua, the Savior, the Messiah, especially because of the shed blood of this martyr. You are King, Jesus; protect Your servants who proclaim the rules of Your kingdom. Amen.

Should further clear facts and indications emerge, I will take them into account in a revision. I am collecting further evidence in a separate booklet; this can be downloaded as a PDF. It also contains “Fedslop for Dummies,” a complete list of problems with the official Taylor Robinson narrative.

“Charlie-Kirk-Assassination-Evidence.pdf”.

It is important to me that in the Roots Study Bible commentaries (and ANTD) one can still read in a hundred years how things happened which the synagogue of satan tries to erase from history.

Jesus commanded: Be wise as serpents.

And later, Jesus says: 26] **Therefore do not fear them,** *for there is nothing hidden that will not be revealed, and nothing secret that will not become known.* 27] *What I tell y'all in the dark, say it in the light. And what y'all hear with y'all's ears, **proclaim from the housetops.***

With this, I—and the many who help to uncover what is hidden—proclaim it from the rooftops!

17] Beware of men, ...

It is disobedience and naïve if we trust any government or authority or any politician. They are pawns of the system of satan, and those who do not want to play along are murdered, while mass murderers are rewarded with billions.

Jesus builds His kingdom completely differently – not of this world – but He makes

the human being new. **Everything outside of Christ is worthless and goes into the fire.**

The world without Christ has no peace.

But:

Before our eyes it is being demonstrated that the blood of the martyrs produces the best soil for the spread of the gospel.

On the other hand it is confusing and a striking injustice that the child abusers and child torturers and that mass murderers such as Bill Gates and destroyers such as George Soros grow old and walk around free, and the masterminds of these secret organizations remain unpunished despite their serious crimes, while faithful Christians are murdered at a young age!

*Revelation 6:9-11: “And when it opened the fifth seal, I saw under the altar the souls of those who had been slain for the word of God and for the testimony they had. And they cried with a loud voice, saying: **O Lord, Holy and True, how long do You not judge and avenge our blood on those who dwell on the earth?** And a white robe was given to each of them, and it was said to them that **they should rest a little while longer, until the***

number of their fellow servants and their brothers should be complete, who were to be killed as they had been.”

This murder has caused a further separation of society. Quite a few have woken up and are seeking the truth, while the wicked have clearly outed themselves and are being bound more and more into bundles for judgment (Matthew 13:38-43).

Woe to those who are stuck in these murderous organizations such as the Freemasons, FBI, CIA, Mossad, Jesuits and who plan, carry out, and cover up such attacks.

Woe to them. The vengeance of the Holy and True One is coming soon; the blood of the martyrs of Jesus has been crying out for 2000 years!

13] Verse 17: *Beware of men, for they will hand y'all over to the courts **and flog y'all in their (council) assemblies.***

Paul was flogged three times with 39 lashes by the Jews and regarded this as a trademark of his genuine apostleship. Today the flogging also

happens in Christian assemblies – verbally – when, for example, people full of the Holy Spirit are called false teachers or confused. History shows that this has happened again and again.

14] Verse 18: *And y'all will be brought before governors and kings for My sake, as a testimony to them and to the nations (Gentiles).*

Here Jesus expands the instructions beyond this first sending out. After the outpouring of the Holy Spirit both the apostles and fiery “ordinary” believers such as Stephen were confronted with governors and council assemblies. Paul and others were brought before kings and emperors. Even today powerful servants such as David Hogan and Kevin Zadai are brought before kings and rulers. Hogan and Zadai were even brought into the Pentagon and the White House to speak in tongues and to break bread there. The Ekklesia, according to Ephesians 3:10, testifies to the wisdom of God and discerns and binds the rulers and spirits under heaven. Around these global earthly seats of power a battle rages between good and evil, which can be

decisively influenced in favor of the good through the prayer of the Assembly (Ekklesia) according to 1 Timothy 2 and Matthew 18:18-20; see also Acts 12.

Read about this the little booklet: satan's greatest nightmare: Ekklesia, the Executive Assembly of the Messiah King Jesus.

15] Vers 19: *And when they hand y'all over, **do not be anxious about how or what y'all should speak, for it will be given to y'all in that hour what y'all should speak.***

In such a situation speaking in tongues is very useful, because one prays in the Spirit and is built up in faith (Jude 20).

16] Verse 20: *For it is not y'all who then speak, **but the Spirit of y'all's Father who speaks in y'all!***

What an astonishing and beautiful promise. The sentence sounds approximately like this in Aramaic:

Lā wā gēr ʔatton məmallīn ʔellā rūḥā dabūḵon
məmallā bəḵon.

The “**Spirit of your Father**” shows how near the Heavenly Father is to us in times of persecution because of the proclamation of the gospel. When we are practiced in speaking in tongues, it is nothing new that the Spirit of the Father speaks in us.

17] Verse 21 & 22: *And a brother will hand over his brother to death, and a father his son, and children will rise up against their parents and cause them to be put to death. 22] And y'all will be hated by everyone because of My name. But the one who endures to the end, he will **live**.* (Matt. 24:9-10)

Jesus says here very clearly that we can be killed for His sake, even by brothers, relatives, and betrayed by our own children. That this is so is shown precisely by the murder of Charlie Kirk and the hatred that was publicly expressed by many. And this happens continually in Islamic countries, where one is expelled from the family when one converts.

18] Verse 23: *When they persecute y'all in one city,*

flee to another. Truly I say to y'all, y'all will not finish converting (subduing) all the cities of the house of Israel before the Son of Man comes. (cf. Matt. 24:14)

Jesus expects that the preaching of the gospel of the Kingdom will virtually bring a whole city under His kingly rule. This was the case in areas of revival.

Y'all will not finish converting (subduing) all the cities of the house of Israel before the Son of Man comes.

The first Christians in Judea and Galilee were, as we also read in Acts, strongly persecuted by the Jews who had rejected their Messiah. Thus it was not possible for them to convert all the cities of Israel before Jerusalem was destroyed in AD 70 and the Jews were (again) scattered from the land of Israel. Meanwhile the gospel is being preached in all the nations. 2000 years later in today's Israel the situation is no better: It is forbidden to preach the gospel of the Messiah Yeshua publicly. But today it is possible for every truth-seeking person with an internet connection to find the truth. Moreover one can certainly also buy New Testaments in modern Hebrew in Israel. They have

no excuse.

19] Verse 28: ***And do not fear those*** *who can kill the body but cannot kill the soul.*

*Rather **fear Him*** who is able to destroy both soul and body in hell (Gehenna).*

*Who is that? By not saying directly whom we are to fear – the one who can destroy both body and soul in hell – Jesus provokes discussions about it, but above all He provokes us to think seriously about who or what can destroy our soul.

According to Matthew 25:41 the eternal fire (hell) was originally prepared for satan and the fallen angels; every human being can repent and obey the gospel and escape this fire. Anyone who argues that because God is good He did not make hell and does not throw anyone into it overlooks the aspect of justice. God is love, God is good and just. He has laid all sins and injustices on Jesus and judged them. It is not possible for anything evil, sinful, and unclean to enter the Kingdom of God. **Whoever refuses to accept the justification in the blood of Jesus and to allow himself by**

grace to be transformed in the soul into the character of Jesus and to have his heart and thoughts renewed has nothing left but fire.

We are to apply the divine fire now and be baptized in the fire that consumes what comes from our old self, so that the new man in Christ can grow.

The Word of God says in many places that we are not to fear men or anything else. It would not be consistent if Jesus suddenly told us after all to fear someone or satan. According to verse 17, **however, we are to be on our guard against evil people and act wisely.**

And yet there is one single person besides God whom you should “fear.” In verse 39 Jesus says that **you yourself** can cause the loss of your soul **if you love your independent soul-life**. True fear of God keeps in view that **our free will can at any time take us out of the will of God**, which is why we continually repent and allow our heart to be cleansed of false motives and intentions. God does not adapt Himself to our standard; otherwise He would not be the eternal God and Creator. More on

this in the End Times Magazine issues Nos. 5–7.
Matthew 10:39: Whoever preserves his soul (his soul-life) will lose it, but whoever loses his soul for My sake will preserve it.

20] Verse 28: *And do not fear those who can kill the body but cannot kill the soul.*

Rather fear Him who is able to destroy both soul and body **in hell (Gehenna)**.*

Gehenna. The small Valley of Ben Hinnom near Jerusalem. In the time of Jesus refuse, carcasses, and the corpses of the poor were burned there; something was always burning and smoldering. There the apostate Jews of earlier times practiced idolatry (Tophet) and witchcraft and burned their children (2 Chronicles 33:6; Jeremiah 7:31-33).

Today something similar is being done again on a global scale: The children are being forced through the hellish fire of the vaccinations; many die from them and many are permanently damaged and mutilated, also in the soul. Vaccinations are hellish, abominable (Tophet) pharmaceutical practices, and pharmakeia means witchcraft in Greek (Revelation

22:15).

For decades I have been trying to warn people against vaccinations, especially since the organized mass murder of Covid-19 from 2020 until today 2026, the Covid vaccinations and measures. Unfortunately in five years I have not succeeded in getting a single Christian, a brother in the faith, to pray with me as a mini-Ekklesia according to Matthew 18:18-20 that this satanic vaccine agenda must stop immediately – an agenda that has killed and damaged many millions of people and brothers and sisters in the faith. This is for me the greater shock than the murdering itself: to find no one who takes the authority as Ekklesia and prays. Even the little book: *Ekklesia, the Executive Assembly of the Messiah King Jesus* seems to interest no one, let alone to practice it as Ekklesia in authority.

It is time for the members of the Body of Christ to become mature. How many more brothers and sisters and children must still be unnecessarily killed and mutilated because no one prays, before a praying Ekklesia arises? For this even two or

three people are enough who gather in the name of Jesus and pray and issue decrees. I am certain, however, that worldwide there are surely thousands of small prayer cells scattered about.

21] Verse 34 and the whole chapter 10: ***Do not think that I have come to bring peace on the earth.*** *I have not come to bring peace, but a sword.*

Matthew chapter 10 is like the “small print” for every new convert. You no longer belong to yourself, but must deny your soul-life, reckon with the possibility of being killed for Jesus’ sake, and are in a war. This dark, godless world of satan must be subjected to Jesus. Many evil and rebellious people resist this. We must bind the evil spirits. You must hate and forsake sin, seek God’s leading, drink deeply of God’s Word, pray without ceasing, and be trained in spiritual warfare. Mistakes, backsliding, lukewarmness, and ignorance can have fatal consequences. That is why Jesus says we must be on our guard, but as children of God we need not fear. To die for Jesus would be an honor, even though we should not seek it

recklessly. The earth is already excessively soaked with the blood of the martyrs. And we need more mature older brothers and sisters who are prayer warriors and firmly established in sound teaching. **It is time for the glorious revealing of the sons (children) of God in the end times.** Believers were often depicted with a halo. That must return and increase.

Why did Jesus not come to bring peace?

We must understand this so that we are not disappointed by false expectations.

The call to repent, to enter the Kingdom of the Heavens, to believe in Jesus the Messiah and to follow Him is based on free will. God wants a willing counterpart. That is why God does not force His peace upon the world. And that is why the sword inevitably comes. People who reject the gospel of Jesus, and also Christians who do not renew their minds and are trapped in false teachings, are stirred up by satan to persecute, fight against, and kill the Christians. Nations remain under the spirit of darkness and often fight one another.

God's way to final peace on earth goes only through the new creation in Jesus Christ.

See *Ephesians 1:9-10*:

*And He has made known to us the mystery of **His will**, which He previously ordained so that it would be carried out in Him, 10] for the administration of the fullness of the times, **so that everything that is in the heavens and on earth would be made new again in the Messiah.*** (Roots / ANTD)

People outside of the Messiah Jesus are not in the new creation. Jesus did not come to make peace in the old creation.

In the old creation there is no true peace, and between the old and the new creation there is war between satan and God.

Whoever does not enter into Jesus Christ through faith and conversion has no future and will perish with the old creation.

We as sons of God of the new creation can, however, influence governments through prayer so that we can live in peace, according to 1 Timothy 2:1-8, while we are still living in this end phase of the old creation in the world. In this way Christians

in a nation and region can pray a whole country and territory under the rule of Jesus and influence it positively.

This time of grace will soon run out.

When Jesus returns, His kingdom of peace begins, in which the rules of the King will be enforced with a rod of iron among the remnant who survive the antichristian end-time events.

22] Verses 35 & 36: *For I have come to set a man against his father, a daughter against her mother, and a daughter-in-law against her mother-in-law. 36] And a person's enemies will be the children of his own household.*

You have been warned by Jesus that this can happen and often does happen.

23] Verse 40: ***Whoever receives y'all receives Me, and whoever receives Me receives Him who sent Me.***
(Matt. 25:40-46).

What a glorious truth, both for the one who is received and for the one who receives.

24] Vers 41: *Whoever receives a prophet in the name of a prophet will receive a prophet's **reward**, and whoever receives a righteous person in the name of a righteous person will receive a righteous person's **reward**.*

Jesus often speaks of reward. In the Kingdom of the Heavens we will be rewarded according to acting in the nature of God and according to the rules of the Kingdom (Hebrews 11:6).

25] Verse 42: *And whoever gives one of these little ones even a cup of cold water to drink, simply because he is a follower (disciple) of Jesus, truly I say to y'all, he will by no means lose **his reward**.*

Our life on earth is a probation and qualification phase for eternity. We can accumulate much eternal reward by giving ourselves for God's will, for the Body of Christ, by serving and helping others – especially those who love God and preach the gospel – but also by helping every little, insignificant, poor person who cannot repay us. Matthew 6:19] Do not store up for yourselves

treasures on earth, where moth and rust destroy and where thieves break in and steal. 20] But store up for yourselves treasures in heaven, where neither moth nor rust destroys, and where thieves do not break in and steal.
