

Ukuxhumana okuqondile noNkulunkulu

**UMesiya uJesu uyindledla
eya kuBaba osezulwini.**

Ngegazi likaJesu unokufinyelela okusheshayo
nokuhlala njalo okuqondile esihlalweni sobukhosi
bukaNkulunkulu, kuBaba osezulwini!

Lokho kusho ukuthi ungaweza nako konke, nazo zonke izinkinga, nazo zonke izinkathazo noma nini nangokushesha esihlalweni sobukhosi somusa, ebusweni bukaNkulunkulu, uhlanzwe kunembeza onecala ngegazi likaJesu. Hlala kuKristu, kuMesiya, kuJesu – khona-ke uzokuzwa leli qiniso.

Ungahlala kanjani eNkosini uJesu?

Kulula kakhulu: Ungathembeli ekulungeni kwakho noma ebuhleni bakho. Ziphike wena nempilo yomphefumulo wakho ngokuzithoba ngamabomu kuMoya oNgcwele nangokukholwa njengengane.

Enhliziyweni yakho uqinisekile ukuthi ngegazi likaJesu manje nanoma nini ungangena ebusweni nasebunyelwaneni bukaNkulunkulu uBaba, iNdodana noMoya oNgcwele – futhi uhlale lapho – phezulu kakhulu kuzo zonke izinkinga zomhlaba, zemvelo, zomphefumulo, zomzimba nezinto, ubunzima noma izifiso.

Lapho uJesu efa esiphambanweni, ikhethini eliya eNgcwele kakhulu ethempelini ladabuka.

Ngokuvuka kukaJesu kwabafuleyo ngosuku lwesithathu uNkulunkulu wakuzala kabusha

kuMesiya (uKristu).

Uma uza ekholweni kuJesu, ukholwe lokhu ngenhliziyo futhi uphendukele kuNkulunkulu uBaba, uzalwa kabusha nguNkulunkulu, imbewu yempilo yaphezulu ingena emoyeni wakho. Manje ukuKristu (kuMesiya) umuntu omusha, waphezulu.

Manje ungumntwana weqiniso kaNkulunkulu, ozalwe kabusha nguNkulunkulu, unokufinyelela okuqondile kuNkulunkulu uBaba neNdodana.

UMoya oNgcwele – kanye Naye uBaba neNdodana – uhlala kuwe. (Johane 14).

Umsebenzi wakho ukuvumela leli qiniso likhule liqhakaze enhliziyweni yakho kuze kube inhliziyo yakho iqiniseke ngakho ngokuphelele.

Uphila futhi uzwa lokho inhliziyo yakho eqiniseke ngakho. Nika isikhathi esihle kakhulu sakusasa kuNkulunkulu emthandazweni.

ITestamente Elisha alazi bhokisi.

Umzimba wakho uyithempeli loMoya oNgcwele. Awasekho amathempele amatshe, futhi abekho abapristi phakathi kwakho noNkulunkulu.

Wena, wena manje ungumpristi kuNkulunkulu, njengabo bonke abanye abakholwayo.

Uhlelo lobupristi lubulala lokho iVangeli likaJesu

elikulethele bonke abantu. AmaKristu amaningi – ngenkolo nangomkhuba – enza iphutha elibulalayo ngokufaka leli qiniso elimaphakathi leVangeli ebhokisini elibizwa ngokuthi «isonto» noma noma yini amabandla obuKristu abizwa ngakho.

Uma uzazisa naleso sonto noma lelo bandla, uzakhela ukuhlukaniswa uJesu akuchitha esiphambanweni.

Umhlangano (umkhandlu) kaJesu njengomzimba Wakhe emhlabeni awulona inhlangothi yabantu noma isonto, kepha uwumhlangano wabakholwayo abazi ukuthi bazelwe nguNkulunkulu futhi baphila ekuxhumaneni okuqondile noBaba.

Bahlangana ebusweni bukaNkulunkulu ukuze bakhulume ngokuqondile noNkulunkulu, basebenze njengomkhandlu waphezulu emhlabeni endaweni yabo – ukumemezela intando kaNkulunkulu – futhi basizane, basekele futhi bagqugquzelane.

Ukulahla amandla.

UKristu (uMesiya), ogcotshiweyo, ukithi njengoMoya oNgcwele, njengokugcotshwa.

Uma othile ebusuku ekunikeza ubufakazi bokuwina izigidi eziyi-10, ubungalali cishe.

Ubuzocabanga ukuthi ekuseni okulandelayo uzothatha kanjani ukuwina, wenze enhliziyweni izithombe eziningi zakho konke ongakwenza futhi ngokuqinisekile ozokwenza ngaleyo mali.

Kodwa cabanga: akuzona izigidi eziyi-10 ezivamile zamaRandi owazithola,

kepha uMdali wendawo yonke ungene kuwe njengoMoya oNgcwele!

UKristu kithi, ithemba (umcabango) wenkazimulo.
(Kolose 1:27)

Ungalala kanjani ngokuthula phambi kwalesi siphosikhulu kunazo zonke ezingacatshangelwa?
Kufanele sivuthe ngaphakathi imini nobusuku sicabange ngokucacile – ngenhliziyo evuthayo yothando kuJesu – konke esizokwenza noNkulunkulu osithi.

Kufanele sikhulume ngempilo yethu ezingxoxweni ezishisayo neNkosi, uBaba neNdodana, sithathe ifa lethu lobukhosi.

Kufanele sicabange ukuthi manje siphila kanjani ngenkazimulo nangobukhazikhazi bobukhosi basezulwini, silungise impilo yethu kuleli zinga

lobukhosi lasezulwini.

Kuyinhlekelele enkulu ukuthi iningi labantu namaKristu lilahla ngokunganaki lawa mandla amangalisayo.

Balandela injabulo yomhlaba futhi abanandaba kancane noma nhlobo ukuthi bangaba eduze kukaNkulunkulu ngokungapheli futhi bahlale kulobo budlelwano obuseduze.

Kumele kube khona umehluko omkhulu phakathi kwempilo kuNkulunkulu, uKristu ehlala kuwe, nempilo ngaphandle koMoya oNgcwele.

Awusenayo n condlelo yokuhlala kunoma yikuphi ukugqilazeka noma ukuvuma khona, ngoba ngomzuzu owodwa wenhliziyo – ugezwe ngegazi likaJesu – usuvele usebusweni bukaBaba wasezulwini noJesu.

Manje umbuzo uwukuthi ufuna ukuthanda ini kakhulu kusukela manje: uNkulunkulu, noma injabulo emfushane yomhlaba, yenyama, yezwe yezinzwa nempilo yomphefumulo oziqhenyayo.

Uzovuma yini isifiso samehlo noma uthando lukaBaba? 1 Johane 2:15-17)

Uma ukhetha uNkulunkulu kulo mzuzu ongcwele, obalulekile — kuhle.

Zilungiselele futhi ube ulungele, ngoba inhliziyo yakho endala, eyayithanda isono futhi igcwele imikhuba nemicabango yesono, izozama ukukucekela phansi ukuze ungabeki uNkulunkulu kuqala esihlalweni sobukhosi.

Phenduka njalo. Qaphela futhi wazi ukuthi lo muntu omdala wabethelwa wafa noKristu.

Uma ukuKristu futhi uhlala kuye, naye kuwe — leli yiqiniso. Emoyeni wakho ikhula impilo yaphezulu, engenasono, enenkazimulo. Uba yinkosi nompristi kuNkulunkulu.

Kulesi sigaba sokudlula kumele uhlele kabusha inhliziyo yakho entsha ngeqiniso laphezulu, ngeZwi likaNkulunkulu, iBhayibheli, ukhulule umuntu omdala nemikhuba yakhe, ugqoke umuntu omusha ofana noJesu.

Hlela kabusha inhliziyo yakho:

Kukho konke empilweni yakho – konke onakho, okwenzayo noma ohlangana nakho – cabanga ngokucacile nangokuphilayo ukuthi manje ukuphila futhi ukukwenza kanjani ngenkazimulo nangesithunzi somntwana weNkosi.

Ziqhenye ngoBaba wakho osezulwini – uyiNkosi yomhlaba. Xoxa ngakho konke Naye.

Zindla imini nobusuku ngaleli qiniso. Lona umongo weVangeli

likaJesu. Zichele ngeZwi likaNkulunkulu.
