

# The Meaning and Purpose of Human Existence

God, the Creator, made humanity as male and female in His image. He gave them dominion over the earth. Humanity was meant to be God's equal counterpart, united with God in spirit, just as man and woman become one in the flesh.

Humanity was to have God as its central source of life, filled with His Spirit and life.

However, the first humans rebelled, becoming independent from God, and through this, death, sickness, misery, and evil entered the world. Everyone went their own way. Therefore:

**In a singular one time event  
in the history of the universe,  
God became human in Jesus Christ.**

Jesus was conceived and born of the Holy Spirit through a virgin, making Him absolutely unique—the Son of God who became flesh.

In His ministry, He healed the sick, cast out evil spirits, raised the dead, and, as a human, restored and preached God's kingdom. He died on the cross as a substitute for our sins, abolishing what separated us from God and putting an end to the old, fallen, independent, rebellious human. Jesus rose from the dead on the third day, becoming the life-giving Spirit.

**If you believe this with your heart, say:**

**“Lord Jesus Christ, come into my heart and be my Lord.”**

The Holy Spirit enters your spirit, and you are saved. You are reborn by God. A new person, with a perfect divine nature, arises in your spirit.

As the all-inclusive Christ, God the Father and the Son, as the Spirit, come and dwell in your

spirit, and you become **one spirit with God's Spirit.**

**Your body becomes the temple of the Holy Spirit.** You become a member of the body of Christ, with Jesus as the head.

By laying aside your independent, selfish life and repenting of your old ways of thinking, renewing them through this gospel and God's Word (the Bible), this becomes reality. Your life will be completely transformed into the image of Jesus.

Your own efforts are merely **self-righteousness** and cannot stand before God. Only through faith in Jesus Christ and His redemptive work on the cross are you justified before God. **Only the blood of Jesus, shed for you, can cleanse your conscience.**

Even if you, as an "enlightened" or "awakened" person, realize your "higher self," you lack the glory of the life reborn by God. But once you receive Jesus into your heart, you are one with God and can live in constant fellowship with Him.

Let God's Spirit guide you, and you will begin to live, speak, and act as Jesus would if He were still in the flesh.

**You are now His authorized representative.**

The Holy Spirit gives you supernatural power and gifts—ask for them, and He will surely provide. Begin now to babble and speak in an unknown (heavenly) language, as the Spirit gives you, like a child. Simply open your mouth and start babbling. This allows your spirit to communicate with God, bypassing your natural mind.

**Seek God's will earnestly. God has a specific plan for your life.**

Ask for understanding. Take time each day, first thing, to be still without distraction and listen for God's voice. He speaks gently into your spirit through His Word and Spirit (usually not audibly). Listen closely. Talk to the heavenly Father, your Friend and Provider, throughout the day about every detail of your life. Cast all your cares on Him. Ask God for a sincere heart, for

knowledge of His wonderful nature, and for deep, intimate knowledge of Jesus Christ. This will soften your heart, making you eager to obey Jesus and the heavenly Father out of love.

**This is the gospel of Jesus the Christ (Messiah).**

**This is the love story between God and humanity!**

Whoever rejects this Jesus forfeits their life and will lose their soul (ego). But whoever denies their fallen, selfish life (soul) and follows Jesus will gain it for eternal life.

**How to Replace Old Thought Patterns and Habits?**

Read the Bible daily as spiritual nourishment. The AENT Study Bible is ideal for this purpose, with many explanatory notes for spiritual understanding. Be still daily, observe your thoughts, reject all toxic, impure, or evil thoughts,

and replace them with God's truth from the Bible —divine thoughts of gratitude, love, forgiveness, reconciliation, faithfulness, purity, consideration, compassion, helpfulness, courage, joy, peace, patience, faith, hope, gentleness, humility, health —everything that aligns with Christ and the new creation. The most thorough and quickest way is to take daily notes while praising and worshiping God with gratitude for who He is and what He has done and does for you. **Sincerely** ask the Holy Spirit **to reveal everything He desires.**
